

**PARTY FOR SOCIALISM AND LIBERATION**

*invites you to a Public Meeting:*

# **Eyewitness Cuba:**

## **Advancing in Times of Crisis**

**Despite the nearly 50 year blockade by the U.S., Cuba has not only survived, but has made advances in all aspects of economic and social life, including health and education.**

**Tuesday, July 15<sup>th</sup> @ 6:30 PM**

**Community Church - 565 Boylston St.**

**Green Line or #39 Bus to Copley; Orange Line to Back Bay**

**Come hear and see a perspective on Cuba from social documentary photographer Bill Hackwell, who has been traveling to Cuba for over 15 years, most recently this past May.**

**He will be presenting images that run contrary to the dreary portrayal that the corporate media would have us believe is the reality of Cuba. Bill is a national organizer for the A.N.S.W.E.R. Coalition.**
