

Mobilize for Climate Justice

Sunday, November 29, 2009 and Monday, November 30, 2009

WHAT: “Systemic change, not climate change.” Join people concerned about the survival of the planet. Add your voice to demand corporate money out of politics!

WHEN: Sunday, November 29 and Monday, November 30, 2009. Actions start on Sunday night and culminate on Monday, November 30 to mark the **10th anniversary** of the successful mass shut down of the World Trade Organization in Seattle.

NOV 30TH MORNING ACTIVITIES

➤ Lobby at the [State House](#)

WHEN: Monday, November 30, 2009 at 8:30am – 11:30am Support the [Leadership Campaign](#), Repower Massachusetts with 100% clean electricity by 2020.

All are welcome to join a sleep-out with the [Leadership Campaign](#) on the [Boston Common](#) (in front of the State House) on November 29, from 9pm.

NOV 30TH AFTERNOON ACTIVITIES

➤ Rally for Climate Justice at Boston City Hall

WHEN: 12:00pm - 1:30pm: Rally at [Boston City Hall Plaza](#). Great speakers, music, art, street theatre, and a speak-out for those most affected by climate change. Bring some signs!

➤ **Planet dance and march** in downtown area to Kerry and Kirk’s office buildings, as they are two co-sponsors of the counterproductive Kerry-Boxer climate bill. **Bring your favorite costumes of animals or plants** (could be a leaf, a tree, a flower... think of what climate change means for them).

WHEN: 2:00pm - 4:00pm: Optional further non-violent civil disobedience are planned.

All participants wishing to participate in the NVCD must sign up at www.massclimatejustice.org
Your voice is needed - Please join us! See important details, list of speakers, and sign up to stay involved at: www.massclimatejustice.org For transportation, contact Beth Adams 413-522-7505

Co-Sponsors/Endorsers: American Friends Service Committee – New England, Climate SOS Coalition, Concerned Citizens of Franklin County, Global Justice Ecology Project, Grassroots International, Greater Boston Stop the Wars Coalition, Dr. James Hansen, Students for A Just and Stable Future, Massachusetts Coalition for Healthy Communities, Safe and Green Campaign, and all members of the Mobilization for Climate Justice network.
