

Weatherization Barn-raisings

***Sunday, December 6th,
12:30—5:00 p.m.
258 River St. AND
127 Montgomery St. Cambridge***

- Pitch in to help a neighbor
- Learn skills that can save you \$\$ at home
- Make new friends
- Share food & celebrate with a live band!
- No skills necessary – training on the job

Work includes:

- Fixing windows that don't close
- Installing inexpensive, reusable interior storm windows, just a few \$ per window
- Sealing the band-joint (where the foundation meets the frame of the house)
- Using caulk and spray-foam to stop air leaks
- Saving water and electricity
- and much more...

Sign up today by web, email or phone!!

Organized by HEET (Home Energy Efficiency Team),
a Cambridge-based co-op that brings neighbors together to
weatherize our homes and take the energy future into our own hands.
