45 Morrissey Boulevard in Dorchester

*Members of UFCW Local 791 who work at the Shaw's Supermarkets Distribution Center in Methuen, MA voted overwhelmingly to reject the company's final contract offer and 310 union members have now been on strike since Sunday, March 7<sup>th</sup>. The company's substandard wage proposal combined with its demand for increased employee health care contributions would result in a net loss of income for workers during the term of the contract. The company's final offer also allowed for the use of outside agencies to perform work at the facility, costing union jobs. **Please join UFCW Local 791, the Massachusetts AFL-CIO, the Greater Boston Labor Council, Jobs with Justice and other supporters to tell Shaw's to respect their workers and to reach an agreement that preserves good jobs with quality wages and benefits!***
