

New England United 4 Justice

We Have A Big Bad Wolf In Massachusetts

Nstar and the National Grid is not holding up to their word in working with local residents around upfront financial solutions so that ALL residents have fair access to weatherization opportunities.

The Green Justice Coalition has been working with the state around Green Solutions that consists of a platform around green jobs, weatherization for outreach and education, accountability and more.

Join New England United 4 Justice

For the 3 Little Pigs Theatrical Performance

We Want Our Homes Fixed

We Want To Go Green

We Need Funds To Get The Work Done

Our Communities Deserve Green Jobs

September 11, 2010 *(Rain Date Sept. 18)*

**Corner of Washington St and Talbot Ave in
Dorchester..In Front of the Church of Dorchester**
