

## A new slide show by Skip Schiel

Based on his latest visit during November-December 2010

Introduced and moderated by Dr. Nancy Murray, president of the Gaza Mental Health Foundation

Free & open to the public

**BONUS:** This presentation will be video recorded as the major scene in a forthcoming movie, *Eyewitness Gaza*, and we'll begin the evening with a preview of the movie.

**What are the current conditions in Gaza and what constitutes popular resistance to both the Israeli siege and the inter-factional violence? How does Gaza relate to Egypt and other Arabic uprisings.**
