

INDUSTRIAL WORKERS OF THE WORLD

Present

GEORGE MANN

A former union organizer and activist based in New York state, George Mann sings songs from the last century of labor and social activism, and his own songs are powerful and funny takes on the state of the nation. His concerts are part sing-along, part history lesson, and he can make you shout for joy, send chills down your spine or bring tears to your eyes in the same set.

★ JAKE and the INFERNAL MACHINE

Jake and the Infernal Machine, Boston-based radical band that mixes folk traditions from around the world with punk music, takes folk-punk to a level that's political, singing songs of solidarity, with mandolins, acoustic guitars and horns.
